DDM / Invoice

You acknowledge by signing below, that;
Where there is an amount to terminate an existing rental contract as indicated above, should we subsequently use this Lease Calculation form as the basis of an agreement, the payment of the settlement amount will be made to the supplier of the equipment as shown above. This will be the full extent of the funders liability to the value shown, and, if any further payment is required, such amount will be the responsibility of the hirer.
